

Claims

I claim :

- sub a)*
1. An animal lure for a designated species comprising :
 - a) the urine of only two animals of said designated species.
 2. The lure of claim 1, wherein said animals are females in estrus.
 3. The lure of claim 2, wherein said animals are white-tailed deer.
 - sub G2* 4. The lure of claim 3, wherein said urine is taken exclusively from a single stall used only by said two animals.
 5. The lure of claim 1, wherein said two animals are males in rut.
 6. The lure of claim 2, wherein said two animals are elk.
 7. The lure of claim 2, wherein said two animals are moose.
 8. The lure of claim 2, wherein said two animals are cariboo.

But a3 9. The lure of claim 2, wherein said two animals are mule deer.

10. The lure of claim 1, wherein said two animals are bucks.

But a4 11. A method of making a lure for an identified species of animal using a urine-gathering stall, said method comprising the step of :

- a) limiting use of said urine-gathering stall to only two animals;
- b) gathering urine from said urine-gathering stall; and,
- c) limiting said lure to only urine gathered from said urine-gathering stall.

12. The method of claim 11, wherein said animals are females in estrus.

13. The method of claim 11, wherein before the step of gathering urine, the first animal is lead out of the stall immediately after urination cycle while a second animal is lead into the stall so that said animals are within sight of each other.

But a5 14. The method of claim 13, wherein all said urine is gathered immediately after said urination cycle by said second animal.
